

COMMUNITY PROGRAMS

FALL 2023

At Campfire Circle, our goal is to bring healing through happiness to kids with cancer or serious illness and their families. At no cost to participants, we provide life-changing, camp-inspired and medically supported programs that promote resilience, wellbeing, and social connectedness.

We know that dealing with a serious diagnosis is tough. That's why we strive to create joyful and memorable experiences that empower kids to reclaim their childhood during a difficult time of their lives.

This fall, we have a variety of community programs offered across Ontario. These programs are a great introduction to Campfire Circle for new campers, and help keep our existing campers engaged with our community throughout the year. Upcoming activities include family cookouts, Halloween parties, a visit to a nature conservation area, and a sleepover at a museum.

Register for programs through your existing family account at: campfirecircle.org/campers-families/current-families

For program information and registration support, email us at: registration@campfirecircle.org or call 1-888-464-6624 x 250
