

# WEEKENDS AT CAMP

FALL 2023

At Campfire Circle, our goal is to bring healing through happiness to kids with cancer or serious illness and their families. At no cost to participants, we provide life-changing, camp-inspired and medically supported programs that promote resilience, wellbeing, and social connectedness.

We know that dealing with childhood cancer is tough. That's why we strive to create joyful and memorable experiences that empower kids to reclaim their childhood during a difficult time of their lives.

This fall, we're offering a number of our three-day, two-night Weekend at Camp experiences. You can attend a family retreat at one of three sites across Ontario, including our Rainbow Lake site (near Waterford) and enjoy some of your favourite camp activities and traditions together. Or, you can send your child independently to our Muskoka site (near Rosseau), where they can connect with friends and gain new skills and confidence through activities like rock climbing, arts & crafts, and campfire – plus some fall favourites like pumpkin carving.

“

**Overnight camp was absolutely the most positive experience of my daughter's life. The connections, friendships and experiences will last her a lifetime.”**

– Camper Mom

# WEEKENDS AT CAMP
