Camp Life Coordinator Muskoka

ABOUT US

Help Bring Back the Joy of Childhood

Since 1983, Campfire Circle has delivered healing through happiness to thousands of kids with cancer or serious illness and their families across Ontario. Our programs are offered in paediatric hospitals across Ontario, in local communities, and at our medically supported overnight camps, offering year-round experiences that provide life-changing moments of joy, connection, and resilience.

And we're just getting started. Today, over 40,000 kids in Ontario face serious illness, many without access to the psychosocial support they urgently need. That's why we have a bold vision: to grow from serving 3,000 campers a year to 10,000. We're building a passionate, talented team to help make that vision a reality. When you join Campfire Circle, you become an integral part of a dynamic team helping to transform the lives of thousands of kids with serious illness, alongside our dedicated community of volunteers and donors.

Help us give back the joy of childhood to every kid with serious illness who needs it most.

At Campfire Circle, we are committed to making employment accessible by reducing financial barriers for our summer staff. All required training and certifications for your role are provided at no cost, in accordance with the terms of employment. Based on identified need, we may also be able to assist with additional job-related costs such as loaning camping equipment, outdoor clothing or gear, and coordinating transportation options. If you require assistance to help make your employment with Campfire Circle more accessible, please let your manager or HR know after you are hired and before your start date.
