ABOUT US

Campfire Circle has offered healing through happiness for thousands of kids and families affected by childhood cancer since 1983. It's where kids can be kids, and families can be families—engaging in camp-inspired community, in-hospital, and overnight camp programs, at no cost to them. As a privately funded organization, Campfire Circle donors make thousands of life-changing experiences possible for Campers throughout the year, all across Ontario.

If so, we'd love to hear more about you below!
