

JOB POSTING

General Care Nurse: PSW/Health Care Aid Muskoka & Rainbow Lake

ABOUT US

Campfire Circle (formerly Camp Ooch & Camp Trillium) has offered healing through happiness for thousands of kids and families affected by childhood cancer since 1983. It's where kids can be kids, and families can be families—engaging in camp-inspired community, in-hospital, and overnight camp programs, at no cost to them. As a privately funded organization, Campfire Circle donors make thousands of life-changing experiences possible for Campers throughout the year, all across Ontario.

At Campfire Circle we are committed to ensuring employment is accessible within our organization. To help reduce financial barriers for summer staff members, we have funding available to assist with costs related to the job such as: camping equipment/gear, outdoor clothing, training/certifications, and transportation, mileage, or parking. If you require financial assistance related to the program, you are invited to make this known during the recruitment process

THE OPPORTUNITY

Do our values of care, community, inclusion, sustainability, and integrity resonate with you? Campfire Circle will be running in-person overnight camp programs at both of our overnight camp locations, and community and day camp programs in the GTA, London, Ottawa and Hamilton.

~~~~~

Campfire Circle is grateful for Indigenous communities' stewardship of the land that we occupy- the traditional territory of many nations such as the Mississauga's of the Credit, the Anishnabeg, the Chippewa, the Haudenosaunee and the Wendat peoples and is now home to many diverse First Nations, Inuit and Métis peoples. We aspire to be deserving stewards of the land, in partnership with them.

We also acknowledge all Treaty peoples – including those who came here as settlers – as migrants either in this generation or in generations past - and those of us who came here involuntarily, particularly forcibly dis-planted Africans, brought here as a result of the Trans-Atlantic Slave Trade and Slavery.
