## Camp Ooch

This summer I went to Camp. This isn't any camp this is a special camp for cancer. This camp is called Camp Ooch. It was great. I loved it. I went rock climbing, skiing, canoeing, crafts, and we went swimming. My counsellor was my best friend. Her name is Kim. She is very nice. She slept with me. I also went sailing. It wasn't that windy but that is OK. They made a great meal all 3 meals were great. We had pizza, salad bar, chicken Qussadilla

and lot's more. We never had a bad meal. I was IN IGI'S That is the Intermedidit Girl's group one. I shared a Cabin with three other girls. Their Name's were Michelle, Jenica, Soyfea, they were in my group. I had a great time there, and I stayed two week's. We had all these KOOL BBQ'S and parties I Can't wait for next Summer to go to Camp again. I am for sure going back. When I went Rock climbing I went all the way to the top! When I went swimming I swam out to the raft. We went on a Camp out BBQ we canoed all the way across the lake and we

Made S'mores and we roasted  
sausage and it was so cool. We had to  
take my top bunk off so I was  
the only camper with a single bed  
so basically I had the most  
comfortable bed in camp. I also  
brought so much candy I shared  
it with my roommates and my  
counselor Kim. I had four  
other counselors their names  
were Robyn, Tall Lauren, Short  
Lauren and Onna. They were  
all great people I can't  
wait until next summer
