# Ain't No Mountain High Enough - Marvin Gaye

Ain't no mountain high  
Ain't no valley low, ain't no river wide enough baby  
If you need me call me, no matter where you are  
No matter how far, don't worry baby  
Just call my name, I'll be there in a hurry  
You don't have to worry  
Oh baby there

## Chorus:

**Ain't no mountain high enough**  
**Ain't no valley low enough**  
**Ain't no river wide enough**  
**To keep me from getting to you babe**

Remember the day I set you free  
I told you you could always count on me darling  
From that day on, I made a vow  
I'll be there when you want me  
Some way, some how  
Oh baby there

## Chorus

Oh no darling  
No wind, no rain  
Or winters cold can stop me baby, no no baby  
(*'Cause you are my goal*)  
If you're ever in trouble  
I'll be there on the double  
Just send for me, oh baby

My love is alive  
Way down in my heart  
Although we are miles apart  
If you ever need a helping hand  
I'll be there on the double  
Just as fast as I can  
Don't you know that there

## Chorus

Don'tcha know that there

## Don't Stop Believing - Journey

Just a small town girl  
Livin' in a lonely world  
She took the midnight train  
Goin' anywhere  
Just a city boy  
Born and raised in South Detroit  
He took the midnight train  
Goin' anywhere

A singer in a smokey room  
The smell of lime  
And cheap perfume  
For a smile  
They can share the night  
It goes on and on and on and on

**Chorus:**  
**Strangers waiting**  
**Up and down the boulevard**  
**Their shadows searching**  
**In the night**  
**Streetlight people**  
**Livin' just to find emotion**  
**Hidin' somewhere in the night**

Workin' hard to get my fill  
Everybody wants a thrill  
Payin' anything to roll the dice  
Just one more time  
Some will win  
Some will lose  
Some were born to sing the blues  
Oh, the movie never ends  
It goes on and on and on and on

### Chorus

Don't stop believin'  
Hold on to that feelin'  
Streetlight people

Don't stop believin'  
Hold on that feelin'  
Streetlight people

Don't stop!

## Fight Song - Rachel Platten

Like a small boat  
On the ocean  
Sending big waves  
Into motion  
Like how a single word  
Can make a heart open  
I might only have one match  
But I can make an explosion

*Pre Chorus:*

*And all those things I didn't say  
Wrecking balls inside my brain  
I will scream them loud tonight  
Can you hear my voice this time?*

**Chorus:**

**This is my fight song  
Take back my life song  
Prove I'm alright song  
My power's turned on  
Starting right now I'll be strong  
I'll play my fight song  
And I don't really care  
If nobody else believes  
'Cause I've still got  
A lot of fight left in me**

Losing friends  
And I'm chasing sleep  
Everybody's worried about me  
In too deep, say I'm in too deep  
And it's been two years  
I miss my home  
But there's a fire burning  
In my bones  
Still believe, yeah I still believe

*Pre Chorus*

**Chorus**

A lot of fight left in me

Like a small boat  
On the ocean  
Sending big waves  
Into motion  
Like how a single word  
Can make a heart open  
I might only have one match  
But I can make an explosion

**Chorus**

No I've still got  
A lot of fight left in me

## Firework - Katy Perry

Do you ever feel like a plastic bag  
Drifting through the wind  
Wanting to start again?  
Do you ever feel, feel so paper thin  
Like a house of cards  
One blow from caving in?

Do you ever feel  
Already buried deep?  
Six feet under screams  
But no one seems to hear a thing  
Do you know that there's  
Still a chance for you?  
'Cause there's a spark in you

*Pre Chorus:*  
*You just gotta ignite the light*  
*And let it shine*  
*Just own the night*  
*Like the 4th of July*

**Chorus:**  
**'Cause, baby, you're a firework**  
**Come on**  
**Show 'em what you're worth**  
**Make 'em go, "Aah, aah, aah"**  
**As you shoot across the sky-y-y**  
**Baby, you're a firework**  
**Come on**  
**Let your colours burst**  
**Make 'em go, "Aah, aah, aah"**  
**You're gonna leave 'em all in**  
**Awe, awe, awe**

You don't have to feel  
Like a wasted space  
You're original, cannot be replaced  
If you only knew  
What the future holds  
After a hurricane comes a rainbow

Maybe a reason why  
All the doors are closed  
So you could open one  
That leads you to the perfect road  
Like a lightning bolt  
Your heart will glow  
And when it's time you'll know

*Pre Chorus*

### Chorus

Boom, boom, boom  
Even brighter than the  
Moon, moon, moon  
It's always been inside of  
You, you, you  
And now it's time to let it  
Through-ough-ough

### Chorus

Boom, boom, boom  
Even brighter than the  
Moon, moon, moon  
Boom, boom, boom  
Even brighter than the  
Moon, moon, moon

## Forty Years On An Iceberg

(Repeat After Me)

Forty years on an iceberg  
Sailing the ocean wide  
Nothing to wear but pajamas  
Nothing to do but slide  
The wind was cold and icy  
The frost began to bite  
I had to hug a polar bear  
To keep me warm at night  
Oh!

## Green Grass Grows All Around

(Repeat After Me)

There was a tree  
Out in the woods  
Just the prettiest tree  
That you ever did see

And the tree was in the hole  
And the hole was in the ground

**Chorus:**  
**And the green grass grows**  
**All around, all around**  
**And the green grass grows**  
**All around**

And on that tree  
There was a limb  
Just the prettiest limb  
That you ever did see

And the limb was on the tree  
And the tree was in the hole  
And the hole was in the ground

**Chorus**

### Additional Verses:

- And on that limb  
There was a branch...

- And on that branch  
There was a nest...

- And in that nest  
There was an egg...

- And in that egg  
There was a bird...

- And on that bird  
There was a wing...

- And on that wing  
There was a feather...

- And on that feather  
There was a bug...

- And on that bug  
There was a germ...

## Hakuna Matata - Lion King

Hakuna Matata!  
What a wonderful phrase  
Hakuna Matata!  
Ain't no passing craze  
It means no worries  
For the rest of your days  
It's our problem-free  
Philosophy  
Hakuna Matata

*Spoken:  
Those two words will solve  
All your problems*

*That's right.  
Take Pumbaa here  
Why*

When he was a  
Young warthog

When I was a young wart hog!

*Very nice*

*Thanks*

He found his aroma  
Lacked a certain appeal  
He could clear  
The savannah  
After every meal

I'm a sensitive soul  
Though I seem thick-skinned  
And it hurt that my friends  
Never stood downwind

And oh, the shame

He was ashamed

Thought of changin' my name

What's in a name?

And I got downhearted

How did ya feel?

Everytime that I...

*Hey! Pumbaa!  
Not in front of the kids!*

*Oh. Sorry*

Hakuna Matata  
What a wonderful phrase  
Hakuna Matata  
Ain't no passing craze  
It means no worries  
For the rest of your days  
It's our problem-free  
Philosophy  
Hakuna Matata

**Herman the worm**  
**(\*clap, clap, clap, clap, clap\*)**  
**All his hearts were broken**  
**But he never gave up on love**

Now Herman, that sad soul  
Had lead a tragic life  
His father, was fish bait  
The early bird got his wife  
His grandma wasn't very sly  
She ended up in apple pie  
Oh oh!

**Chorus**

Well, Herman, was squirming  
Away back to his hole  
His girlfriend, named Sally  
Had left him all alone  
She turned into a butterfly  
And flew away up into the sky  
Oh oh!

**Chorus**

Now Herman, he found him  
Another love so strong.  
They wiggled in the green grass  
'Till a lawnmower came along  
The couple never had a clue  
That breaking up is hard to do  
Oh oh!

My brothers and my sisters  
All over this land

I'd ring it in the evening  
All over this land  
I'd ring out danger  
I'd ring out a warning  
I'd ring out love between  
My brothers and my sisters  
All over this land

Well, I've got a hammer  
And I've got a bell  
And I've got a song to sing

## Let It Go - Frozen

The snow glows white  
On the mountain tonight  
Not a footprint to be seen  
A kingdom of isolation  
And it looks like I'm the queen  
The wind is howling  
Like this swirling storm inside  
Couldn't keep it in  
Heaven knows I tried

Don't let them in  
Don't let them see  
Be the good girl  
You always have to be  
Conceal, don't feel  
Don't let them know  
Well, now they know

Let it go, let it go  
Can't hold it back anymore  
Let it go, let it go  
Turn away and slam the door  
I don't care  
What they're going to say  
Let the storm rage on  
The cold never bothered me  
Anyway

It's funny how some distance  
Makes everything seem small  
And the fears  
That once controlled me  
Can't get to me at all

It's time to see what I can do  
To test the limits  
And break through  
No right, no wrong  
No rules for me  
I'm free

Let it go, let it go  
I am one with the wind and sky  
Let it go, let it go  
You'll never see me cry  
Here I stand  
And here I'll stay  
Let the storm rage on

My power flurries  
Through the air into the ground  
My soul is spiraling  
In frozen fractals all around  
And one thought crystallizes  
Like an icy blast  
I'm never going back  
The past is in the past

Let it go, let it go  
And I'll rise like the break of dawn  
Let it go, let it go  
That perfect girl is gone  
Here I stand  
In the light of day  
Let the storm rage on  
The cold never bothered me  
Anyway

## Ordinary Day - Great Big Sea

I've got a smile on my face  
I've got four walls around me  
The sun in the sky  
The water surrounds me  
I'll win now but sometimes I'll lose  
I've been battered  
But I'll never bruise, it's not so bad

### **Chorus:**

**And I say way-hey-hey  
It's just an ordinary day  
And it's all your state of mind  
At the end of the day  
You've just got to say**

It's all right

Janie sings on the corner  
What keeps her from crying?  
Let them say what they want  
She won't stop trying  
She might stumble  
If they push her 'round  
She might fall  
But she'll never lie down  
It's not so bad

### **Chorus**

It's all right

In this beautiful life  
But there's always some sorrow  
And it's a double-edged knife  
But there's always tomorrow  
It's up to you now  
If you sink or swim  
Just keep the faith  
And your ship will come in  
It's not so bad

### **Chorus (2X)**

It's alright

'Cause it's alright, it's alright

'Cause I've got a smile on my face  
And I've got four walls around me

## Part Of Your World - The Little Mermaid

Look at this stuff, isn't it neat?  
Wouldn't you think  
My collection's complete?  
Wouldn't you think I'm the girl  
The girl who has everything?

Look at this trove, treasures untold  
How many wonders  
Can one cavern hold?  
Looking around here you'd think  
Sure, she's got everything

I've got gadgets  
And gizmos a plenty  
I've got whozits  
And whatzits galore  
You want thingamabobs?  
I've got twenty!  
But who cares? No big deal  
I want more

I wanna be where the people are  
I wanna see  
Wanna see them dancing  
Walking around on those  
What do you call 'em? Oh, feet

Flipping your fins  
You don't get too far  
Legs are required  
For jumping, dancing  
Strolling along down a  
What's that word again? Street

Up where they walk  
Up where they run  
Up where they stay  
All day in the sun  
Wandering free  
Wish I could be, part of that world

What would I give  
If I could live  
Out of these waters?  
What would I pay  
To spend a day  
Warm on the sand?

Betcha' on land  
They'd understand  
Bet they don't  
Reprimand their daughters  
Bright young women  
Sick of swimming  
Ready to stand

And I'm ready to know  
What the people know  
Ask 'em my questions  
And get some answers  
What's a fire and why does it  
What's the word? Burn?

When's it my turn?  
Wouldn't I love  
Love to explore  
That shore up above?  
Out of the sea  
Wish I could be  
Part of that world

## Right Field - Peter, Paul and Marry

Saturday summers, when I was a kid  
We'd run to the schoolyard and here's what we did  
We'd pick out the captains and we'd choose up the teams  
It was always a measure of my self esteem  
Cuz the fastest, the strongest, played shortstop and first  
The last ones they picked were the worst  
I never needed to ask, it was sealed  
I just took up my place in right field  
Playing...

### Chorus:

**Right field, it's easy, you know  
You can be awkward and you can be slow  
That's why I'm here in right field  
Just watching the dandelions grow**

Playing right field can be lonely and dull  
Little Leagues never have lefties that pull  
I'd dream of the day they'd hit one my way  
They never did, but still I would pray  
That I'd make a fantastic catch on the run  
And not lose the ball in the sun  
And then I'd awake from this long reverie  
And pray that the ball never came out to me  
Here in...

### Chorus

Off in the distance, the game's dragging on  
There's strikes on the batter, some runners are on  
I don't know the inning, I've forgotten the score  
The whole team is yelling and I don't know what for  
Then suddenly everyone's looking at me  
My mind has been wandering, what could it be?  
They point at the sky and I look up above  
And a baseball falls into my glove!

Here in right field, it's important you know  
You gotta know how to catch, you gotta know how to throw  
That's why I'm here in right field, just watching the dandelions grow!

## Riptide - Vance Joy

I was scared of dentists  
And the dark  
I was scared of pretty girls  
And starting conversations  
Oh, all my friends  
Are turning green  
You're the magician's assistant  
In their dream  
Ahh, Ooo, Ooo, Ooo  
Ahh, Ohhh  
And they come unstuck

### Chorus:

**Lady, running down to the riptide  
Taken away to the dark side  
I wanna be your left hand man  
I love you when you're singing  
That song and  
I got a lump in my throat 'cause  
You're gonna sing  
The words wrong**

There's this movie  
That I think you'll like  
This guy decides to quit his job  
And heads to New York City

This cowboy's  
Running from himself  
And she's been living  
On the highest shelf  
Ahh, Ooo, Ooo, Ooo  
Ahh, Ohhh  
And they come unstuck

### Chorus

I just wanna, I just wanna know  
If you're gonna  
If you're gonna stay  
I just gotta, I just gotta know  
I can't have it, I can't have it  
Any other way  
I swear she's destined  
For the screen  
Closest thing to Michelle Pfeiffer  
That you've ever seen, oh

### Chorus (2X)

And  
I got a lump in my throat 'cause  
You're gonna sing the words wrong

When days are hot, when days are cold

Anything else to do but...

## Swing On A Star - Bing Crosby

Would you like to swing on a star  
Carry moonbeams home in a jar  
And be better off than you are

Or would you rather be a mule?

A mule is an animal  
With long funny ears  
He kicks up at anything he hears  
His voice sounds funny  
When he tries to speak  
He's loud and silly  
With a stubborn streak  
And by the way  
If you hate to go to school  
You may grow up to be a mule

### **Chorus:**

**Or would you like to  
Swing on a star  
Carry moonbeams home in a jar  
And be better off than you are**

Or would you rather be a pig?

A pig is an animal  
With dirt on his face  
His shoes are a terrible disgrace  
He has no manners  
When he eats his food

He's pink and lazy  
And extremely rude  
But if you don't care  
A feather or a fig

You may grow up to be a pig

### **Chorus**

Or would you rather be a fish?

A fish won't do anything  
But swim in a brook  
He can't write his name  
Or read a book  
To fool the people  
Is his only thought  
And though he's slippery  
He still gets caught  
But then if that sort of life  
Is what you wish  
You may grow up to be a fish

And all the monkeys  
Aren't in the zoo  
Every day you meet quite a few  
So you see it's all up to you  
You can be better than you are

You could be swingin' on a star

## Take Me Out To The Ball Game

Take me out to the ball game  
Take me out with the crowd  
Buy me some peanuts  
And crackerjacks  
I don't care if I never get back

For it's root, root, root  
For the BLUE JAYS  
If they don't win it's a shame  
For it's One, Two  
Three strikes you're out  
At the old ball game!

# The Ants Go Marching

The ants go marching one by one, hurrah, hurrah  
The ants go marching one by one, hurrah, hurrah

The ants go marching one by one  
The little one stopped to suck his thumb

And they all go marching down to the ground  
To get out of the rain, BOOM! BOOM! BOOM!

The ants go marching two by two  
The little one stopped to tie his shoe

The ants go marching three by three  
The little one stopped to climb a tree

The ants go marching four by four  
The little one stopped to shut the door

The ants go marching five by five  
The little one stopped to dance and jive

The ants go marching six by six  
The little one stopped to pick up sticks

The ants go marching seven by seven  
The little one stopped to talk to Kevin

The ants go marching eight by eight  
The little one stopped and now he's late

The ants go marching nine by nine  
The little one stopped to check the time

The ants go marching ten by ten  
The little one stopped to shout "The End"

## The Bare Necessities - Jungle Book

Look for the bare necessities  
The simple bare necessities  
Forget about your worries and your strife  
I mean the bare necessities  
Old Mother Nature's recipes  
That brings the bare necessities of life

Wherever I wander, wherever I roam  
I couldn't be fonder of my big home  
The bees are buzzin' in the tree  
To make some honey just for me  
When you look under the rocks and plants  
And take a glance at them fancy ants  
Then maybe try a few

The bare necessities of life will come to you  
They'll come to you!

Look for the bare necessities  
The simple bare necessities  
Forget about your worries and your strife  
I mean the bare necessities  
That's why a bear can rest at ease  
With just the bare necessities of life

Wherever I wander, wherever I roam  
I couldn't be fonder of my big home  
The bees are buzzin' in the tree  
To make some honey just for me  
When you look under the rocks and plants  
And take a glance at them fancy ants  
Then maybe try a few

The bare necessities of life will come to you  
They'll come to you!  
They'll come to you!  
They'll come to you!

## The Bear Song

(Repeat After Me)

The other day  
I met a bear  
A great big bear  
A-way out there

Ahead of me  
I saw a tree  
A great big tree  
Oh glory me

Now don't you fret  
Now don't you frown  
I caught that branch  
On the way back down

**The other day...**

**Ahead of me...**

**Now don't you fret...**

He said to me  
"Why don't you run?  
I see you ain't  
Got any gun"

The nearest branch  
Was 10 feet up  
I'd have to jump  
And trust my luck

The moral of  
This story be  
Don't meet a bear  
Without a tree

**He said to me...**

**The nearest branch...**

**The moral of...**

And so I ran  
Away from there  
But right behind  
Me was that bear

And so I jumped  
Into the air  
But I missed  
That branch  
Away up there

**And so I ran...**

**And so I jumped...**

## The Boogaloo

Let me see your boogaloo  
*What's that you say?*  
I said let me see your boogaloo!  
*What's that you say?*  
I said LET ME SEE YOUR  
BOOGALOO!!!  
**WHATS THAT YOU SAY!?!?**

Ooo ah, boogaloo  
Ooo ah, one more time  
Ooo ah boogaloo  
Ooo ah, back in line

# The Cat Came Back

## Chorus:

The cat came back  
The very next day  
The cat came back  
We thought he was a goner  
But the cat came back  
He just couldn't stay away  
Meow

Old Mister Johnson had troubles of his own  
He had a yellow cat which wouldn't leave his home  
He tried and he tried to give the cat away  
He gave it to a man goin' far, far away  
But...

## Chorus

He gave it to a man going up in a balloon  
He told him for to take it to the man in the moon  
The balloon came down about ninety miles away  
Where he is now, well I dare not say  
But...

## Chorus

Hit the road cat, and don't you come back  
No more, no more, no more, no more  
Hit the road cat, and don't you come back  
No more  
But...

## Chorus

# The Hockey Song - Stompin Tom Connors

Hello out there, we're on the air  
It's 'Hockey Night' tonight  
Tension grows, the whistle blows  
And the puck goes down the ice  
The goalie jumps, and the players bump  
And the fans all go insane  
Someone roars, "Bobby Scores!"  
At the good ol' Hockey Game

## Chorus:

**OH! The good ol' Hockey game  
Is the best game you can name  
And the best game you can name  
Is the good ol' Hockey game**

## Second Period

Where players dash, with skates a flash  
The home team trails behind  
But they grab the puck, and go bursting up  
And they're down across the line  
They storm the crease, like bumble bees  
They travel like a burning flame  
We see them slide, the puck inside  
It's a 1-1 hockey game

## Chorus

Third Period. Last game of the playoffs too!  
Oh take me where, the hockey players  
Face off down the rink  
And the Stanley Cup, is all filled up  
For the champs who win the drink  
Now the final flick, of a hockey stick  
And the one gigantic scream  
"The puck is in! THE LEAFS WIN!"  
The good ol' hockey game

## Chorus (2X)

He liked to drink his juice at Ooch  
The moose's name was Mooch

But he spilled some in his hair  
He drank his juice with care  
But he spilled some in his hair

### Chorus

Now there's a sticky moose  
All covered in juice  
On the LOOOOOSE

## The Twinkie Song

Dough, the stuff that makes the Twinkie  
Ray, the guy who makes the Twinkie  
Me, the person who eats the Twinkie  
Far, the line-up for the Twinkies  
So, I think I'll have a Twinkie  
La, la la la la Twinkie  
Tea, no thanks I'll have a Twinkie  
And that brings us back to Dough!  
TWINKIE TWINKIE TWINKIE DOUGH!

**The straw is too long, dear Liza...**

*Then cut it, dear Henry...*

## Three Bears

Once upon a time  
In a nursery rhyme  
There were three bears  
Cha, cha, cha

One day they were walkin'  
In the woods, they were talkin'  
When along came a little girl  
With long flowing golden curls

Her name was Goldilocks  
Up upon the door she knocked  
But she didn't care  
That no one was there  
She just walked right in  
Chichi boom, chichi boom

Home came those three bears  
Someone has eaten my porridge  
Said the papa bear  
Said the papa bear

Someone has eaten my porridge  
Said the mama bear  
Said the mama bear

Hey mama see there  
Said the little wee bear  
SOMEONE HAS BROKEN MY  
CHAIR! HUH!

Goldilocks she woke up  
She broke up the party  
And she beat it out of there  
What!? She beat it out of there

Bye, Bye, Bye, Bye  
Said the papa bear  
Said the papa bear

Bye, Bye, Bye, Bye  
Said the mama bear  
Said the mama bear

Hey mama see there  
Said the little wee bear  
BYE! BYE! BYE! BYE! BYE! BYE!  
BYE! HUH!

## Three Little Kittens

Three little kittens  
They lost their mittens  
And they began to cry  
Oh, mother dear  
We sadly fear  
Our mittens we have lost

What!?  
Lost your mittens,  
You naughty kittens!  
Then you shall have no pie  
Meow, meow, meow, meow  
We shall have no pie

Three little kittens  
They found their mittens  
And they began to cheer  
Oh, mother dear  
See here, see here  
Our mittens we have found

What!?  
Put on your mittens  
You darling kittens  
And you shall have some pie  
Purr, purr, purr, purr  
We shall have some pie

# Through The Woods - Okee Dokee Brothers

I'm wondering if you'd go  
Wandering with me  
Through the wilderness and woods  
Where the winds are blowin' free  
Through the darkness of the night  
Headin' toward the morning light  
I wonder if you'd wander with me

## **Chorus:**

**So I'll spread the word  
And you beat the drum  
We'll round up the troops  
And get the gang to come  
And we'll leave the streets  
And these neighborhoods  
Head over the river  
And through the woods**

You're wondering if I go  
Wandering with you  
What kind of trouble  
We'll get ourselves into  
Would it be wrong to tag along  
With a band of vagabonds  
You wonder if I'd wander with you

## **Chorus**

I'm wondering if you'd come  
Wandering my way  
If you ever get lost  
Or the trail leads you astray  
The music of the pack  
Can always bring you back  
I wonder can we wander away

## **Chorus**

## Tomorrow - Annie

The sun will come out tomorrow  
Bet your bottom dollar that  
Tomorrow, there'll be sun  
Just thinkin' about tomorrow  
Clears away the cobwebs  
And the sorrow, 'til there's none

When I'm stuck with a day  
That's grey and lonely  
I just stick up my chin  
And grin and say, oh

The sun will come out tomorrow  
So you got to hang on 'til tomorrow  
Come what may  
Tomorrow, tomorrow  
I love ya tomorrow  
You're only a day away

Tomorrow, tomorrow  
I love ya tomorrow

You're only a day a - way!

## When The Red, Red Robin - Harry Woods

When the red red robin comes  
Bob bob bobbin' along, along  
There'll be no more sobbin'  
When he starts throbbin'  
His old sweet song  
Wake up wake up you sleepy head  
Get up get up get out of bed  
Cheer up cheer up the sun is red  
Live love laugh and be happy

What if I've been blue  
Now I'm walkin' through  
Fields of flowers  
Rain may glisten but  
Still I listen for hours and hours  
I'm just a kid again  
Doing what I did again  
Singin' a song  
When the red red robin comes  
Bob bob bobbin' along

# Yeah Toast!

*(Repeat After Me)*

All around the nation coast to coast  
People always ask me what I like most  
Now I don't wanna brag and I don't wanna boast  
So I just tell 'em I like toast

Yeah Toast!  
Yeah Toast!

I get up in the mornin' at six AM  
Spread a little butter, spread a little jam  
Take a piece of bread and put it in the slot  
Push down the lever and the wires get hot

Yeah Toast!  
Yeah Toast!

Now there's no secret to toasting perfection  
There's a dial on the side and you make your selection  
Turn it to the dark or the light and then  
If it pops too soon you press down again

Yeah Toast!  
Yeah Toast!

Oui monsieur, bonjour, bibliothèque  
Uh huh, croissant et Chevy Corvette  
Maurice, chevalier et Eiffel Tower  
Oui oui, pamplemousse, baguette, bon soir

French Toast!  
French Toast!

Now if you're like me then don't be shy  
Stand up tall and look 'em in the eye  
And if they say that toast is crummy  
Just shake your head cause you know that it's so yummy!

Yeah Toast!  
Yeah Toast!  
YEAH TOAST!!!

## A Whole New World - Aladdin

I can show you the world  
Shining, shimmering, splendid  
Tell me, princess, now when did  
You last let your heart decide?

I can open your eyes  
Take you wonder by wonder  
Over, sideways and under  
On a magic carpet ride

A whole new world  
A new fantastic point of view  
No one to tell us no or where to go  
Or say we're only dreaming  
A whole new world  
A dazzling place I never knew  
But when I'm way up here  
It's crystal clear  
That now I'm in  
A whole new world with you

*(Now I'm in  
A whole new world with you)*

Unbelievable sights  
Indescribable feelings  
Soaring, tumbling, freewheeling  
Through an endless diamond sky

A whole new world  
*(Don't you dare close your eyes)*  
A hundred thousand things to see  
*(Hold your breath, it gets better)*

I'm like a shooting star  
I've come so far  
I can't go back  
To where I used to be

A whole new world  
*(Every turn a surprise)*  
With new horizons to pursue  
*(Every moment red letter)*  
I'll chase them anywhere  
There's time to spare  
Let me share  
This whole new world with you

A whole new world  
*(A whole new world)*  
That's where we'll be  
*(That's where we'll be)*  
A thrilling chase  
A wondrous place

For you and me

## Ahead By A Century - The Tragically Hip

First thing we'd climb a tree  
And maybe then we'd talk  
Or sit silently  
And listen to our thoughts  
With illusions of someday  
Casting a golden light  
No dress rehearsal  
This is our life

And that's where the hornet stung me  
And I had a feverish dream  
With revenge and doubt  
Tonight we smoke them out

You are ahead by a century (This is our life)  
You are ahead by a century (This is our life)  
You are ahead by a century

Stare in the morning shroud  
And then the day began  
I tilted your cloud  
You tilted my hand  
Rain falls in real time  
And rain fell through the night  
No dress rehearsal  
This is our life

But that's when the hornet stung me  
And I had a serious dream  
With revenge and doubt  
Tonight we smoke them out

You are ahead by a century (this is our life)  
You are ahead by a century (this is our life)  
You are ahead by a century

You are ahead by a century (this is our life)  
You are ahead by a century (this is our life)  
You are ahead by a century

And disappointing you is getting me down

## Better Together - Jack Johnson

There's no combination of words  
I could put on the back  
Of a postcard  
No song that I could sing  
But I can try for your heart  
Our dreams  
And they are made  
Out of real things  
Like a shoebox of photographs  
With sepia-toned loving

Love is the answer  
At least for most of the questions  
In my heart  
Like: "Why are we here?"  
"And where do we go?"  
"And how come it's so hard?"  
It's not always easy  
And sometimes life  
Can be deceiving  
I'll tell you one thing  
It's always better  
When we're together

Mmm, it's always better  
When we're together  
Yeah, we'll look at them stars  
When we're together  
Well, it's always better  
When we're together  
Yeah, it's always better  
When we're together

And all of these moments  
Just might find their way  
Into my dreams tonight  
But I know that they'll be gone  
When the morning light sings  
And brings new things  
For tomorrow night you see  
That they'll be gone too  
Too many things I have to do

But if all of these dreams  
Might find their way into  
My day-to-day scene  
I'd be under the impression  
I was somewhere in between  
With only two  
Just me and you  
Not so many things we got to do  
Or places we got to be  
We'll sit beneath  
The mango tree now

Yeah, it's always better  
When we're together  
Mmm, we're somewhere  
In between together  
Well, it's always better  
When we're together  
Yeah, it's always better  
When we're together

Mmm, mmm, mmm

I believe in memories  
They look so, so pretty  
When I sleep  
Hey now  
And when I wake up  
You look so pretty  
Sleeping next to me  
But there is not enough time  
And there is no  
No song I could sing  
And there is no combination  
Of words I could say  
But I will still tell you one thing

We're better together

Mmm, mmm, mmm

## **Blackbird - The Beatles**

Blackbird singing in the dead of night  
Take these broken wings and learn to fly  
All your life  
You were only waiting for this moment to arise

Blackbird singing in the dead of night  
Take these sunken eyes and learn to see  
All your life  
You were only waiting for this moment to be free

Blackbird fly  
Blackbird fly  
Into the light of the dark black night

Blackbird singing in the dead of night  
Take these broken wings and learn to fly  
All your life  
You were only waiting for this moment to arise

Blackbird fly  
Blackbird fly  
Into the light of the dark black night

Blackbird singing in the dead of night  
Take these sunken eyes and learn to see  
All your life  
You were only waiting for this moment to be free  
You were only waiting for this moment to be free  
You were only waiting for this moment to be free

## **Blowin' In The Wind - Bob Dylan**

How many roads must a man walk down  
Before you call him a man?  
Yes and how many seas must a white dove sail  
Before she sleeps in the sand?  
Yes and how many times must the cannon balls fly  
Before they're forever banned?  
The answer my friend is blowin' in the wind  
The answer is blowin' in the wind

How many years can a mountain exist  
Before it's washed to the sea?  
Yes and how many years can some people exist  
Before they're allowed to be free?  
Yes and how many times can a man turn his head  
And pretend he just doesn't see?  
The answer my friend is blowin' in the wind  
The answer is blowin' in the wind

The answer my friend is blowin' in the wind  
The answer is blowin' in the wind

## **Brown Eyed Girl - Van Morrison**

Hey, where did we go  
Days when the rains came?  
Down in the hollow  
Playing a new game  
Laughing and a-running, hey, hey  
Skipping and a-jumping  
In the misty morning fog with  
Our hearts a-thumping  
And you, my brown-eyed girl  
You, my brown-eyed girl

Whatever happened  
To Tuesday and so slow  
Going down to the old mine with a  
Transistor radio  
Standing in the sunlight laughing  
Hide behind a rainbow's wall  
Slipping and a-sliding  
All along the waterfall  
With you, my brown-eyed girl  
You, my brown-eyed girl

### **Chorus:**

**Do you remember when we used to sing**  
**Sha la la la la la la la la la la dee dah**  
**Just like that**  
**Sha la la la la la la la la la la dee dah**  
**La dee dah**

So hard to find my way  
Now that I'm all on my own  
I saw you just the other day  
My, how you have grown  
Cast my memory back there a lot  
Sometimes I'm overcome thinking about  
Playin' round in the green grass  
Behind the stadium  
With you, my brown-eyed girl  
You, my brown-eyed girl

### **Chorus**

# C Is For Conifer - They Might Be Giants

**Chorus:**

**Most with cones for seeds  
Most with needles for leaves  
C is for conifers  
My kind of trees  
Larch, junipers and fir  
Spruce, cedars, and pines  
C is for conifers  
More than five hundred kinds**

If you see a Christmas tree  
Or a stack of newspapers  
Or a two-by-four frame of a house  
It's probably made from pine trees  
And pine trees are conifers  
That's what this song is about

Or if you see a plant  
In the shape of an elephant  
Or in the shape of a dog  
It's probably a shrub  
A conifer shrub  
Pruned into that shape by someone

**Chorus**

There are so many different kinds of conifer trees.  
This is just a few of them:

Spruce, Hemlocks, Larch, Cyprus, Juniper, Fir  
Douglas Fir, Cedar, Yew, Pine, The Dwarf Conifer  
And the great California Sequoia Redwood

**Chorus**

## Can You Feel The Love Tonight - Lion King

I can see what's happening    What?  
And they don't have a clue    Who?  
They'll fall in love  
And here's the bottom line  
Our trio's down to two        Oh

The sweet caress of twilight  
There's magic everywhere  
And with all this romantic atmosphere  
Disaster's in the air

Can you feel the love tonight  
The peace the evening brings  
The world for once in perfect harmony  
With all its living things

So many things to tell her  
But how to make her see  
The truth about my past, impossible  
She'd turn away from me

He's holding back, he's hiding  
But what, I can't decide  
Why won't he be the king I know he is?  
The king I see inside?

Can you feel the love tonight?  
The peace the evening brings  
The world, for once, in perfect harmony  
With all its living things

Can you feel the love tonight?  
You needn't look too far  
Stealing through the night's uncertainties  
Love is where they are

And if he falls in love tonight  
It can be assumed  
His care free days with us are history  
In short our pal is doomed

## Circle Game - Joni Mitchell

Yesterday a child came out to wonder  
Caught a dragonfly inside a jar  
Fearful when the sky was full of thunder  
And tearful at the falling of a star

### Chorus:

**And the seasons they go round and round  
And the painted ponies go up and down  
We're captive on the carousel of time  
We can't return we can only look  
Behind from where we came  
And go round and round and round  
In the circle game**

Then the child moved ten times round the seasons  
Skated over ten clear frozen streams  
Words like when you're older must appease him  
And promises of someday make his dreams

### Chorus

Sixteen springs and sixteen summers gone now  
Cartwheels turn to car wheels thru the town  
And they tell him take your time it won't be long now  
Till you drag your feet to slow the circles down

### Chorus

So the years spin by and now the boy is twenty  
Though his dreams have lost some grandeur coming true  
There'll be new dreams maybe better dreams and plenty  
Before the last revolving year is through

### Chorus

And go round and round and round  
In the circle game

## Colours Of The Wind - Pocahontas

You think you own whatever land you land on  
The Earth is just a dead thing you can claim  
But I know every rock and tree and creature  
Has a life, has a spirit, has a name

You think the only people who are people  
Are the people who look and think like you  
But if you walk the footsteps of a stranger  
You'll learn things you never knew you never knew

Have you ever heard the wolf cry to the blue corn moon  
Or asked the grinning bobcat why he grinned?  
Can you sing with all the voices of the mountains?  
Can you paint with all the colours of the wind?  
Can you paint with all the colors of the wind?

Come run the hidden pine trails of the forest  
Come taste the sunsweet berries of the Earth  
Come roll in all the riches all around you  
And for once, never wonder what they're worth

The rainstorm and the river are my brothers  
The heron and the otter are my friends  
And we are all connected to each other  
In a circle, in a hoop that never ends

How high does the sycamore grow?  
If you cut it down, then you'll never know

And you'll never hear the wolf cry to the blue corn moon  
For we are really all the same within  
We need to sing with all the voices of the mountains  
We need to paint with all the colours of the wind

You can own the Earth and still  
All you'll own is Earth until  
You can paint with all the colours of the wind

## Count On Me - Bruno Mars

If you ever find yourself stuck in the middle of the sea  
I'll sail the world to find you  
If you ever find yourself lost in the dark and you can't see  
I'll be the light to guide you

We find out what we're made of  
When we are called to help our friends in need

### **Chorus:**

**You can count on me like 1, 2, 3**

**I'll be there**

**And I know when I need it**

**I can count on you like 4, 3, 2**

**And you'll be there**

**'Cause that's what friends are supposed to do, oh yeah**

**Ooooooh, ooooohhh yeah, yeah**

If you're tossin' and you're turnin'  
And you just can't fall asleep  
I'll sing a song beside you  
And if you ever forget how much you really mean to me  
Every day I will remind you

We find out what we're made of  
When we are called to help our friends in need

### **Chorus**

You'll always have my shoulder when you cry  
I'll never let go, never say goodbye  
You know...

### **Chorus**

You can count on me 'cause I can count on you

## Country Roads - John Denver

Almost heaven, West Virginia  
Blue ridge mountain, Shenandoah river  
Life is old there, older than the trees  
Younger than the mountains, growin' like a breeze

### Chorus:

**Country roads, take me home  
To the place I belong  
West Virginia  
Mountain mamma, take me home  
Country roads**

All my memories, gather round her  
Miner's lady, stranger to blue water  
Dark and dusty, painted on the sky  
Misty taste of moonshine, teardrop in my eye

### Chorus

I hear her voice in the morning' hour she calls me  
The radio reminds me of my home far away  
Driving down the road I get a feelin'  
That I should have been home yesterday, yesterday

### Chorus (2X)

## Feelin' Groovy - Simon and Garfunkel

Slow down, you move too fast  
You got to make the morning last  
Just kicking down  
The cobble stones  
Looking for fun and feelin' groovy

Ba da, da da, da, da, da  
Feelin' groovy

Hello lamppost  
What cha knowing?  
I've come to watch  
Your flowers growing  
Ain't cha got no rhymes for me?  
Doot-in' doo-doo, feelin' groovy

Ba da, da da, da, da, da  
Feelin' groovy

Got no deeds to do  
No promises to keep  
I'm dappled and drowsy  
And ready to sleep  
Let the morning time drop  
All its petals on me  
Life, I love you  
All is groovy

Ba, da, da, da, da, da, da

## Fire's Burning

Fire's burning, fire's burning  
Draw nearer, draw nearer  
In the gloaming, in the gloaming  
Come sing and be merry

## Garden Song - David Mallett

**Chorus:**  
Inch by inch, row by row  
I'm gonna make  
This garden grow  
All it takes is a rake and a hoe  
And a piece of fertile ground

Inch by inch, row by row  
Someone love  
These seeds I sow  
Someone warm  
Them from below  
'Til the rain  
Comes tumbling down

Pullin' weeds and pickin' stones  
We are made  
Of dreams and bones  
I feel the need to grow my own  
'Cause the time is close at hand

Grain for grain, sun and rain  
I'll find my way in nature's chain  
I tune my body and my brain  
To the music of the land

**Chorus**

## Good Riddance (Time Of Your Life) - Green Day

Another turning point, a fork stuck in the road  
Time grabs you by the wrist, directs you where to go  
So make the best of this test, and don't ask why  
It's not a question, but a lesson learned in time

It's something unpredictable, but in the end is right  
I hope you had the time of your life

So take the photographs, and still frames in your mind  
Hang it on a shelf in good health and good time  
Tattoos and memories and dead skin on trial  
For what it's worth it was worth all the while

It's something unpredictable, but in the end is right  
I hope you had the time of your life

It's something unpredictable, but in the end is right  
I hope you had the time of your life

It's something unpredictable, but in the end is right  
I hope you had the time of your life

## Have You Ever Seen The Rain? - CCR

Someone told me long ago there's a calm before the storm  
I know, it's been comin' for some time  
When it's over, so they say, it'll rain a sunny day  
I know, shining down like water

### Chorus:

**I want to know, have you ever seen the rain?  
I want to know, have you ever seen the rain  
Comin' down on a sunny day?**

Yesterday, and days before, Sun is cold and rain is hard  
I know, been that way for all my time  
'Til forever, on it goes, through the circle, fast and slow  
I know, it can't stop, I wonder

### Chorus (2X)

## Heart Of Gold - Neil Young

I want to live  
I want to give  
I've been a miner  
For a heart of gold  
It's these expressions, I never give

That keep me searching  
For a heart of gold  
And I'm getting old

Keep me searching  
For a heart of gold  
And I'm getting old

I've been to Hollywood  
I've been to Redwood  
I crossed the ocean  
For a heart of gold  
I've been in my mind  
It's such a fine line

That keeps me searching  
For a heart of gold  
And I'm getting old

Keep me searching  
For a heart of gold  
And I'm getting old

Keep me searching  
For a heart of gold  
You keep me searching  
And I'm growing old  
Keep me searching  
For a heart of gold  
I've been a miner  
For a heart of gold

## Helpless - Neil Young

There is a town in north Ontario  
With dream comfort  
Memory to spare  
And in my mind  
I still need a place to go  
All my changes were there

Blue, blue windows  
Behind the stars  
Yellow moon on the rise  
Big birds flying across the sky  
Throwing shadows on our eyes  
Leave us

Helpless, helpless, helpless  
Baby can you hear me now?  
The chains are locked  
And tied across the door  
Baby, sing with me somehow

Blue, blue windows  
Behind the stars  
Yellow moon on the rise  
Big birds flying across the sky  
Throwing shadows on our eyes  
Leave us

Helpless, helpless, helpless (4X)

## Here Comes The Sun - The Beatles

Here comes the sun, here comes the sun  
And I say it's all right

Little darling, it's been a long cold lonely winter  
Little darling, it feels like years since it's been here

Here comes the sun, here comes the sun  
And I say it's all right

Little darling, the smiles returning to the faces  
Little darling, it seems like years since it's been here

Here comes the sun, here comes the sun  
And I say it's all right

Sun, sun, sun, here it comes (4X)

Little darling, I feel that ice is slowly melting  
Little darling, it seems like years since it's been clear

Here comes the sun, here comes the sun  
And I say it's all right

Here comes the sun, here comes the sun  
It's all right  
It's all right

## Hey Soul Sister - Train

Hey, hey, hey  
Hey, hey, hey

Your lipstick stains  
On the front part of my  
Left side brain  
I knew I wouldn't forget you  
And so I went and let you  
Blow my mind

Your sweet moonbeam  
The smell of you in every  
Single dream I dream  
I knew when we collided  
You're the one I have decided  
Who's one of my kind

**Chorus:**  
**Hey soul sister**  
**Ain't that Mr. Mister**  
**On the radio, stereo**  
**The way you move**  
**Ain't fair, you know**  
**Hey soul sister**  
**I don't wanna miss**  
**A single thing you do**  
**Tonight**

Hey, hey, hey

Just in time  
I'm so glad you have  
A one track mind like me  
You gave my life direction  
A game show love connection  
We can't deny

I'm so obsessed  
My heart is bound to jump  
Right out my beating chest  
I believe in you  
Like a vision, you're Madonna  
And I'm always gonna wanna  
Blow your mind

### Chorus

The way you can cut a rug  
Watching you is  
The only drug I need  
So gangster, I'm so thug  
You're the only one  
I'm dreaming of  
You see  
I can be myself now finally  
In fact there's nothing I can't be  
I want the world to see you'll be  
With me

### Chorus

Hey, hey, hey  
Tonight  
Hey, hey, hey

Tonight

## Home - Edward Sharpe And The Magnetic Zeros

Alabama, Arkansas,  
I do love my Ma and Pa  
Not the way that I do love you  
Well, holy moly me oh my  
You're the apple of my eye  
Girl, I've never loved one like you

Man, oh, man  
You're my best friend  
I scream it to the nothingness  
There ain't nothing that I need  
Well, hot and heavy pumpkin pie  
Chocolate candy, clear blue sky  
Ain't nothing please me  
More than you

### **Chorus:**

**Home, let me come home  
Home is wherever I'm with you  
Home, let me come home  
Home is wherever I'm with you**

La la la la  
Take me home  
Mama, I'm coming home

I'll follow you into the park  
Through the jungle  
Through the dark  
Girl, I've never loved one like you  
Moats and boats, and waterfalls,  
Alleyways, and payphone calls  
I've been everywhere with you  
(*that's true*)

Laugh until we think we'll cry  
Barefoot on a summer night  
Never could be  
Sweeter than with you  
And in the streets you run a free  
Like it's only you and me  
Geez, you're something to see

### **Chorus (2X)**

## Home - Phillip Phillips

Hold on to me as we go  
As we roll down  
This unfamiliar road  
And although this wave (wave)  
Is stringing us along  
Just know you're not alone  
'Cause I'm gonna make  
This place your home

### **Chorus:**

**Settle down, it'll all be clear  
Don't pay no mind  
To the demons  
They fill you with fear  
Trouble it might drag you down  
If you get lost  
You can always be found**

Just know you're not alone  
'Cause I'm gonna make  
This place your home

Ooo, oooo, oooo, ooo  
Ahhh, ahhh, ahhh, ahhh

### **Chorus**

Just know you're not alone  
'Cause I'm gonna make  
This place your home

Ooo, oooo, oooo, ooo  
Ahhh, ahhh, ahhh, ahhh  
Ahhh, ahhh, ahhh, ahhh

## **I Can See Clearly Now - Jimmy Cliff**

I can see clearly now the rain is gone  
I can see all obstacles in my way  
Gone are the dark clouds that had me down  
It's gonna be a bright (*bright*)  
Bright (*bright*) sunshiny day  
It's gonna be a bright (*bright*)  
Bright (*bright*) sunshiny day

Oh, yes I can make it now the pain is gone  
All of the bad feelings have disappeared  
Here is that rainbow I've been hoping for  
It's gonna be a bright (*bright*)  
Bright (*bright*) sunshiny day

Look all around, there's nothing but blue skies  
Look straight ahead, there's nothing but blue skies

I can see clearly now the rain is gone  
I can see all obstacles in my way  
Here is that rainbow I've been hoping for  
It's gonna be a bright (*bright*)  
Bright (*bright*) sunshiny day  
It's gonna be a bright (*bright*)  
Bright (*bright*) sunshiny day

It's going to be a bright (*bright*)  
Bright (*bright*) sunshiny day  
It's gonna be a bright (*bright*)  
Bright (*bright*) sunshiny day

## I'm Yours - Jason Mraz

Well, you done done me  
And you bet I felt it  
I tried to be chill  
But you're so hot that I melted  
I fell right through the cracks  
Now I'm trying to get back

Before the cool done run out  
I'll be giving it my bestest  
And nothing's gonna stop me  
But divine intervention  
I reckon, it's again my turn  
To win some or learn some

But I won't hesitate  
No more, no more  
It cannot wait  
I'm yours

Well open up your mind  
And see like me  
Open up your plans  
And then you're free  
Look into your heart and you'll find  
Love, love, love, love  
Listen to the music of the moment  
People dance and sing  
We're just one big family  
And it's our universal right  
To be loved, loved, loved, loved  
Loved

**Chorus:**  
**But I won't hesitate**  
**No more, no more**  
**It cannot wait**  
**I'm yours**  
**There's no need to complicate**  
**Our time is short**  
**This is our fate**  
**I'm yours**

I've been spending way too long  
Checking my tongue in the mirror  
And bending over backwards  
Just to try to see it clearer  
But my breath fogged up the glass  
And so I drew a new face  
And I laughed

I guess what I'll be saying is  
There ain't no better reason  
To rid yourself of vanities  
And just go with the seasons  
It's what we aim to do  
Our name is our virtue

### Chorus

Well, open up your mind  
And see like me  
Open up your plans  
And then you're free  
Look into your heart and you'll find  
That the sky is yours  
So please don't, please don't  
Please don't...  
There's no need to complicate  
'Cause our time is short  
This is, this is, this is our fate  
I'm yours

## In My Life - The Beatles

There are places I remember  
All my life  
Though some have changed  
Some forever not for better  
Some have gone  
And some remain  
All these places have their moments  
With lovers and friends I still can recall  
Some are here and some are living  
In my life I've loved them all

But of all these friends and lovers  
There is no one  
Compares with you  
And these memories lose their meaning  
When I think of love  
As something new

Though I know I'll never lose affection  
For people and things that went before  
I know I'll often stop and think about them

In my life I love you more

Though I know I'll never lose affection  
For people and things that went before  
I know I'll often stop and think about them

In my life I love you more

In my life I love you more

## It's A Small World - Disney

It's a world of laughter  
A world of tears  
It's a world of hopes  
And a world of fears  
There's so much that we share  
That it's time we're aware  
It's a small world after all

There is just one moon  
And one golden sun  
And a smile means friendship  
To everyone  
Though the mountains divide  
And the oceans are wide  
It's a small world after all

It's a small world after all  
It's a small world after all  
It's a small world after all  
It's a small, small world

It's a small world after all  
It's a small world after all  
It's a small world after all  
It's a small, small world

## Land Of The Silver Birch

Land of the silver birch  
Home of the beaver  
Where still the mighty moose  
Wanders at will

My heart calls out for thee  
Here in the lowlands  
I will return to thee hills of the north

**Chorus:**  
**Blue lake and rocky shore**  
**I will return once more**  
**Boom-diddy-ah-da (3X)**  
**Bo-oo-oom**

### Chorus

High as an eagle soars  
Over the mountains  
My spirit rises up, free as a bird

High on a rocky ledge  
I'll build my wigwam  
Close to the water's edge  
Silent and still

### Chorus

Land of the silver birch  
Home of the beaver  
Where still the mighty moose  
Wanders at will

## **Landslide - Fleetwood Mac**

I took my love and I took it down  
I climbed a mountain and I turned around  
And I saw my reflection  
In the snow-covered hills  
Till, the landslide brought me down

Oh, mirror in the sky, what is love?  
Can the child within my heart rise above?  
Can I sail through the changing ocean tides?  
Can I handle the seasons of my life?

Well, I've been afraid of changing  
'Cause I built my life around you  
But time makes you bolder  
Even children get older  
I'm getting older, too

Well, I've been afraid of changing  
'Cause I built my life around you  
But time makes you bolder  
Even children get older  
I'm getting older, too  
Oh I'm getting older, too

Take my love and take it down  
Climb a mountain and turn around  
And if you see my reflection  
In the snow-covered hills  
Well, the landslide will bring you down  
And if you see my reflection  
In the snow-covered hills  
Well, maybe the landslide will bring you down  
The landslide will bring you down

## Lean On Me - Bill Withers

Sometimes in our lives  
We all have pain  
We all have sorrow  
But if we are wise  
We know that there's  
Always tomorrow

### **Chorus:**

**Lean on me  
When you're not strong  
And I'll be your friend  
I'll help you carry on  
For it won't be long  
'Til I'm gonna need  
Somebody to lean on**

Please, swallow your pride  
If I have things you need to borrow  
For no one can fill  
Those of your needs  
That you won't let show

### *Bridge:*

*You just call on me, brother  
When you need a hand  
We all need somebody to lean on  
I just might have a problem  
That you'll understand  
We all need somebody to lean on*

### **Chorus**

### *Bridge*

If there is a load  
You have to bear  
That you can't carry  
I'm right up the road  
I'll share your load  
If you just call me

Call me (8X)

## Leaving On A Jet Plane - John Denver

All my bags are packed  
I'm ready to go  
I'm standing here  
Outside your door  
I hate to wake you up  
To say good-bye  
But the dawn is breaking  
It's early morn, the taxi's waiting  
He's blowing his horn  
Already I'm so lonesome I could cry

### Chorus:

**So kiss me and smile for me  
Tell me that you'll wait for me  
Hold me like  
You'll never let me go  
'Cause I'm leaving on a jet plane  
Don't know  
When I'll be back again  
Oh, babe, I hate to go**

There's so many times  
I've let you down  
So many times I've played around  
I tell you now  
They don't mean a thing  
Every place I go I'll think of you  
Every song I sing I'll sing for you  
When I come back  
I'll bring your wedding ring

### Chorus

Now the time  
Has come to leave you  
One more time let me kiss you  
Then close your eyes and  
I'll be on my way  
Dream about the days to come  
When I won't have to leave alone  
About the times I won't have to say

### Chorus (2X)

## Linger

Mhmmm, I want to linger  
Mhmmm, A little longer  
Mhmmm, A little longer  
Here with you

Mhmmm, It's such a perfect night  
Mhmm, It doesn't seem quite right  
Mhmmm, That this should be  
My last with you

Mhmmm, And come September  
Mhmmm, I will remember  
Mhmmm, Our Camping days  
Of friendships true

Mhmmm, And as the years go by  
Mhmmm, I'll think of you and sigh  
Mhmmm, This is good night  
And not good bye

Mhmmm, I want to linger  
Mhmmm, A little longer  
Mhmmm, A little longer  
Here with you

## Let It Be - The Beatles

When I find myself  
In times of trouble  
Mother Mary comes to me  
Speaking words of wisdom  
Let it be  
And in my hour of darkness  
She is standing right in front of me  
Speaking words of wisdom  
Let it be

Let it be, let it be  
Let it be, let it be  
Whisper words of wisdom, let it be

And when the  
Broken-hearted people  
Living in the world agree  
There will be an answer, let it be  
For though they may be parted  
There is still a chance  
That they will see  
There will be an answer, let it be

### Chorus:

**Let it be, let it be  
Let it be, let it be  
There will be an answer, let it be  
Let it be, let it be  
Let it be, let it be  
Whisper words of wisdom  
Let it be**

And when the night is cloudy  
There is still a light  
That shines on me  
Shine on until tomorrow, let it be  
I wake up to the sound of music  
Mother Mary comes to me  
Speaking words of wisdom  
Let it be

### Chorus

## Over The Rainbow - Harold Arlen + E.Y. Harburg

Somewhere over the rainbow way up high  
There's a land that I heard of once in a lullaby  
Somewhere over the rainbow skies are blue  
And the dreams that you dare to dream really do come true

Someday I'll wish upon a star  
And wake up where the clouds are far  
Behind me  
Where troubles melt like lemon drops  
Away above the chimney tops  
That's where you'll find me

Somewhere over the rainbow bluebirds fly  
Birds fly over the rainbow. Why then, oh, why can't I?

If happy little bluebirds fly  
Beyond the rainbow why, oh, why can't I?

## Outdoors - Jason Mraz

All day I've been inside  
And I've got the feeling  
I'm trapped between the walls  
And underneath the ceiling  
I feel a bit off track  
And now I'm trying to get back

Back in the cool cool air  
Where the sun is shining  
Nothing's gonna stop me  
It's all in the timing  
It's finally again my turn  
It's time to return

Cause I won't stay inside  
No more no more  
I cannot wait to go outdoors  
Mmmhmmhmmhmm  
Hey hey hey hey

Well open up your door  
And be like me  
Open up your door  
And then breathe free  
Look at all the beauty you'll feel  
Love love love love

Listen to the music of the wind  
And the birdies sing  
We're just one big family  
And all of nature deserves to be  
Loved loved loved loved  
Loved

So I won't stay inside  
No more no more  
It cannot wait  
I'm sure  
There's no need to run and hide  
Let's go explore  
It feels so great  
Let's go outdoors

Well open up your door  
And be like me  
Open up your door  
And then breathe free  
Look at all the beauty  
And you'll find the earth  
And the sky is yours  
So please don't  
There's no need  
There's no need to hide inside  
Let's go explore  
This'll this'll  
Feel so great  
Let's go outdoors

## Puff The Magic Dragon - Peter, Paul and Marry

Puff, the magic dragon  
Lived by the sea  
And frolicked in the autumn mist  
In a land called Honah Lee  
Little Jackie paper  
Loved that rascal puff  
And brought him strings  
And sealing wax  
And other fancy stuff  
Oh!

### Chorus:

**Puff, the magic dragon  
Lived by the sea  
And frolicked in the autumn mist  
In a land called Honah Lee  
Puff, the magic dragon  
Lived by the sea  
And frolicked in the autumn mist  
In a land called Honah Lee**

Together they would travel  
On a boat with billowed sail  
Jackie kept a lookout perched  
On puffs gigantic tail  
Noble kings and princes  
Would bow whenever they came  
Pirate ships  
Would lower their flag  
When puff roared out his name  
Oh!

### Chorus (2X)

## Put A Little Love In Your Heart - Jackie DeShannon

Think of your fellow man  
Lend him a helping hand  
Put a little love in your heart  
You see it's getting late  
Oh, please don't hesitate  
Put a little love in your heart

### Chorus:

**And the world  
Will be a better place  
And the world  
Will be a better place  
For you and me  
You just wait and see**

Another day goes by  
And still the children cry  
Put a little love in your heart  
If you want the world to know

We won't let hatred grow  
Put a little love in your heart

### Chorus

Take a good look around  
And if you're looking down  
Put a little love in your heart  
I hope when you decide  
Kindness will be your guide  
Put a little love in your heart

### Chorus

Put a little love in your heart (4X)

## Rainbow Connection - Jim Henson

Why are there so many songs about rainbows?  
And what's on the other side  
Rainbows are visions, but only illusions  
And rainbows have nothing to hide

So we've been told and some choose to believe it  
I know they're wrong, wait and see

### **Chorus:**

**Some day we'll find it  
The rainbow connection  
The lovers, the dreamers, and me**

Who said that every wish would be heard and answered  
When wished on the morning star  
Somebody thought of that and someone believed it  
And look what it's done so far

What's so amazing that keeps us stargazing  
And what do we think we might see

### **Chorus**

All of us under its spell, we know that it's probably magic

Have you been half asleep? And have you heard voices?  
I've heard them calling my name  
Is this the sweet sound  
That called the young sailors?  
The voice might be one in the same

I've heard it too many times to ignore it  
It's something that I'm supposed to be

### **Chorus**

La da da di da da dum da duh da da dum di da ohhh

## Stand By Me - Ben E. King

When the night has come  
And the land is dark  
And the moon  
Is the only light we'll see  
No I won't be afraid  
Oh, I won't be afraid  
Just as long as you stand  
Stand by me

**Chorus:**  
**So darling, darling**  
**Stand by me, oh stand by me**  
**Oh stand, stand by me**  
**Stand by me**

If the sky that we look upon  
Should tumble and fall  
Or the mountains  
Should crumble to the sea  
I won't cry, I won't cry  
No, I won't shed a tear  
Just as long as you stand  
Stand by me

**Chorus**  
Whenever you're in trouble  
Won't you stand by me  
Oh stand by me  
Oh stand, stand by me  
Stand by me

## Sweet Caroline - Neil Diamond

Where it began  
I can't begin to knowin'  
But then I know it's growing strong  
Was in the spring  
And spring became the summer  
Who'd have believed  
You'd come along

Hands, touchin' hands  
Reachin' out, touchin' me  
Touchin' you

**Chorus:**  
**Sweet Caroline**  
**Good times never seemed**  
**So good**  
**I've been inclined**  
**To believe they never would**

But now I...

Look at the night  
And it don't seem so lonely  
We fill it up with only two

And when I hurt,  
Hurtin' runs off my shoulders  
How can I hurt when holding you?

Warm, touchin' warm  
Reachin' out, touchin' me  
Touchin' you

**Chorus**  
Oh, no, no

Sweet Caroline  
Good times never seemed  
So good  
Sweet Caroline  
I believe they never could

Sweet Caroline

# The Camp Song - Peter Katz

How can I explain  
What I take away  
When the autumn falls  
And we go our separate ways

What is it exactly  
How can I describe  
All that I discovered  
By that fireside

Some things aren't defined  
Some things they're just right

## Chorus:

**'Cause it's more than  
The green of trees  
It's more than  
The summer breeze  
The smell of rocks and water  
Washing over me  
It's more than the orange fire  
It's more than the fishing wire  
It's more than the cabin walls  
Or that morning bugle call**

It's something you can't touch  
But you can hold so dear

Lying in that field  
Sleeping with the sky  
Something bound between us  
Without us knowing why

From that moment on  
Nothing could undo  
The feeling of belonging  
That would always be true

Some things don't need words  
Some things they just work

## Chorus

It's something you can't touch  
But you can hold so dear  
And maybe it's not much  
But it's I'll be back next year

*Oh it won't be long  
'Til the summer comes (8X)*

Gonna be all right  
Singin' don't worry about a thing  
'Cause every little thing  
Gonna be all right

Of melodies pure and true  
Sayin'  
"This is my message to you-ou-ou"

**Chorus**

**Chorus (2X)**

# Unwritten - Natasha Bedingfield

I am unwritten  
Can't read my mind  
I'm undefined  
I'm just beginning  
The pen's in my hand  
Ending unplanned

*Pre Chorus:*

*Staring at the blank page before you  
Open up the dirty window  
Let the sun illuminate the words that you could not find  
Reaching for something in the distance  
So close you can almost taste it  
Release your inhibitions*

**Chorus:**

**Feel the rain on your skin  
No one else can feel it for you  
Only you can let it in  
No one else, no one else  
Can speak the words on your lips  
Drench yourself in words unspoken  
Live your life with arms wide open  
Today is where your book begins**

The rest is still unwritten

I break tradition  
Sometimes my tries  
Are outside the lines  
We've been conditioned  
To not make mistakes  
But I can't live that way

*Pre Chorus*

**Chorus (2X)**

The rest is still unwritten

## Wagon Wheel - Old Crow Medicine Show

Heading down south to the land of the pines  
I'm thumbing my way into North Carolina  
Staring up the road and I hope that I see headlights  
I made it down the coast in seventeen hours  
Picking me a bouquet of dogwood flowers  
And I'm a-hopin' for Raleigh, I can see my baby tonight

### Chorus:

**So rock me mamma like a wagon wheel  
Rock me mamma any way you feel  
Hey mamma rock me  
Rock me mamma like the wind and the rain  
Rock me mamma like a south bound train  
Hey mamma rock me**

Running from the cold up in New England  
I was born to be a fiddler in an old time string band  
My baby plays a guitar, I pick a banjo now  
Oh, the north country winters keep a-getting me down  
Lost my money playing poker so I had to leave town  
But I ain't turning back to living that old life no more

### Chorus

Walkin' to the south out of Roanoke  
I caught a trucker out of Philly told a nice long joke  
But he's a-heading west from the Cumberland gap  
To Johnson City, Tennessee  
I gotta get a move on before the sun  
I hear my baby calling my name and I know that she's the only one  
And if I stay in Raleigh at least I will be free

### Chorus (2X)

## What A Wonderful World - Sam Cooke

I see trees of green  
Red roses too  
I see them bloom  
For me and you  
And I think to myself  
What a wonderful world

I see skies of blue  
And clouds of white  
The bright blessed day  
The dark sacred night  
And I think to myself  
What a wonderful world

The colors of the rainbow  
So pretty in the sky  
Are also on the faces  
Of people going by  
I see friends shaking hands  
Saying, "How do you do?"  
They're really saying  
"I love you"

I hear babies cry  
I watch them grow  
They'll learn much more  
Than I'll ever know  
And I think to myself  
What a wonderful world

Yes, I think to myself  
What a wonderful world

Oh yeah

## When You Wish Upon A Star - Pinocchio

When you wish upon a star  
Makes no difference who you are  
Anything your heart desires  
Will come to you

If your heart is in your dream  
No request is too extreme  
When you wish upon a star  
As dreamers do

Fate is kind  
She brings to those who love  
The sweet fulfillment of  
Their secret longing

Like a bolt out of the blue  
Fate steps in  
And sees you through  
When you wish upon a star  
Your dreams come true

## With My Own Two Hands - Ben Harper

I can change the world  
With my own two hands  
Make it a better place  
With my own two hands  
Make it a kinder place  
With my own two hands  
With my own  
With my own two hands

I can make peace on earth  
With my own two hands  
I can clean up the earth  
With my own two hands  
I can reach out to you  
With my own two hands  
With my own  
With my own two hands

With my own  
With my own two hands

I'm going to make it  
A brighter place  
With my own two hands  
I'm going to make it  
A safer place  
With my own two hands  
I'm going to help  
The human race  
With my own two hands  
With my own  
With my own two hands

With my own  
With my own two hands

I can hold you  
With my own two hands  
I can comfort you  
With my own two hands  
But you've got to use  
Use your own two hands  
Use your own  
Use your own two hands

Use your own  
Use your own two hands

With our own  
With our own two hands

With my own  
With my own two hands

## World's Greatest - R. Kelly

I am a mountain  
I am a tall tree  
Oh, I am a swift wind  
Sweepin' the country  
I am a river  
Down in the valley  
Oh, I am a vision  
And I can see clearly

*Pre Chorus:*  
*If anybody asks you who I am*  
*Just stand up tall*  
*Look 'em in the face and say*

**Chorus:**  
**I'm that star up in the sky**  
**I'm that mountain peak up high**  
**Hey, I made it**  
**I'm the worlds greatest**  
**And I'm that little bit of hope**  
**When my back's**  
**Against the ropes**  
**I can feel it mmm**  
**I'm the world's greatest**

I am a giant  
I am an eagle  
I am a lion  
Down in the jungle  
I am a marchin' band  
I am the people  
I am a helpin' hand  
And I am a hero

*Pre Chorus*

### **Chorus**

In the ring of life I'll reign love  
And the world will notice a king  
When all is darkest, I'll shine a light  
And mirrors of success  
Reflect in me

### **Chorus (3X)**

It's the greatest  
Can you feel it  
It's the greatest  
Can you feel it  
It's the greatest  
Can you feel it  
It's the greatest  
Can you feel it  
It's the greatest  
Can you feel it

### **Chorus**

## **You've Got A Friend - Carol King**

When you're down and troubled  
And you need some love and care  
And nothing, nothing is going right  
Close your eyes and think of me  
And soon I will be there  
To brighten up even your darkest night

### **Chorus:**

**You just call out my name  
And you know wherever I am  
I'll come running to see you again  
Winter, spring, summer or fall  
All you have to do is call  
And I'll be there**

You've got a friend

If the sky above you grows dark and full of clouds  
And that old north wind begins to blow  
Keep your head together and call my name out loud  
Soon you'll hear me knocking at your door

### **Chorus**

Yes I will

Now, ain't it good to know that you've got a friend  
When people can be so cold?  
They'll hurt you, yes, and desert you  
And take your soul if you let them  
Oh, but don't you let them

### **Chorus**

You've got a friend (4X)

## You've Got A Friend In Me - Randy Newman

You've got a friend in me  
You've got a friend in me  
When the road looks rough ahead  
And you're miles and miles from your nice warm bed  
You just remember what your old pal said  
Boy you've got a friend in me  
Yeah you've got a friend in me

You've got a friend in me  
You've got a friend in me  
You got troubles and I got 'em too  
There isn't anything I wouldn't do for you  
We stick together, we can see it through  
'Cause you've got a friend in me  
You've got a friend in me

Some other folks might be a little bit smarter than I am  
Bigger and stronger too  
Maybe  
But none of them  
Will ever love you the way I do  
It's me and you boy

And as the years go by  
Our friendship will never die  
You're gonna see it's our destiny  
You've got a friend in me  
You've got a friend in me  
You've got a friend in me

# Better Together

*Intro:*

*Better, better*

*Better together (3X)*

Sometimes we're alone  
And sometimes that's OK  
You can go real fast  
And do things your own way  
But if you want to go far  
You need a helping hand  
At camp we are a family  
You'll come to understand

O-oh-o  
When you're here  
You'll never be alone  
O-oh-o  
Friends are near  
Wherever you may roam

**Chorus:**  
**We jump**  
**We move**  
**We sing and dance**  
**When we're all together**  
**We swim**  
**We groove**  
**We laugh and play**  
**No matter the weather**

It's  
*Intro*

This place is just a space  
Just a lake and rocks and trees  
Or halls and doors  
A roof and floors  
But with you its home to me  
No matter where we are  
No matter where we go  
When we come together  
We make the magic grow

O-oh-o  
Gather round  
It's time to circle up  
O-oh-o  
And if you fall  
We're here to pick you up  
And then

## Chorus

It's  
*Intro*

Paddle and canoe  
Better together

Glitter and glue  
Better together

Ice cream and cake  
Better together

Us and the lake  
Better together

Trees and leaves  
Better together

Thank you and please  
Better together

Sun and the sky  
Better together

Face and pie  
Better together

O-oh-o  
Cross your arms  
We thank you for the day  
O-oh-o  
And dream of all  
The memories we make  
When

### Chorus (2X)

We're

## **Camp Feeling - Emily Reid and Camp Teomul**

In the summer time, we come to camp  
Not much on my mind  
Except feeling like a champ  
Making knew friendships  
And reuniting with everyone

In the summer time  
The sun gets hot  
We jump in the lake  
So we can cool off  
And we're singing 'round  
Campfire with everyone

*Pre Chorus:*

*And ohh oh oh we're 50 feet in the air  
And ohh oh oh not a single care*

# Celebrate

Every day we celebrate (4X)

I know this place  
Where the lake is crystal clear  
From the ropes course  
To the swim docks  
You can always here us cheer  
This place I know  
Where the people all are friends  
Where we're singing  
And we're dancing  
And the good times never end

So fill my cup  
With laughter and light  
What do we think of everyone  
We're all right

## Chorus:

**Every day we're going to  
Celebrate**

**Every day we're going to  
Celebrate each day**

And jump into the lake  
Grab your favorite costume  
And do the booty shake  
Put on your braid

From Muskoka to Toronto  
Let's celebrate all year

Get on that stump  
For all those things you do  
Put your hands together  
Cause we are proud of you

## Explore The Undiscovered

We will explore  
What's undiscovered (3X)

We will explore

Hey, what are you looking for?  
There's a world out there  
That we can all discover

Hey, what are you searching for?  
You've got talents  
You've got skills we can uncover  
Hey, it's just outside the door  
You may not know  
Exactly what you'll find  
Hey, what are you waiting for?  
Discoveries await for you and I

You might find something  
Inside yourself  
You did not know was there

You can keep  
Your proudest moments  
Hanging on that braid you wear!

**Chorus:**  
**Don't need a compass**  
**Don't need a map**  
**Your friends will guide you**  
**Along the path**  
**Together we'll find**  
**What we're looking for**  
**When we explore**  
**What's undiscovered**

When we explore  
What's undiscovered (3X)

When we explore

Hey, come take a walk with me  
We'll search for brand new skills  
On this adventure

Hey, in our Ooch family  
We'll overcome our challenges  
Together!

From the lakes and hills and sky  
Thank you campers for the day  
This joy that I have  
The world can't take it away!

### Chorus

*This is a repeat after me song*

*Roseau Lake, Donner Shore*

*Ooch downtown 8704*

*Dining Hall, Medshed Porch*

*All year round, we'll all explore*

*Gotta find a glass, and fill my cup*

*If you're feeling down*  
*I'll build you up*

*Challenge zone, that's my choice!*

*Raise up your hands and*  
*Find your voice*

### Chorus (2X)

When we explore  
What's undiscovered (4X)

## Fill It Up

Camp (Ooch)  
Rousseau or Toronto  
Anywhere that braid goes  
Feels just like home  
Come on (Who me?)  
I see your cup is empty  
Let's fill it up with memories  
To take where you may roam

Fill it (Up)  
With hoolah hops and campfires  
Adventures on the high wires  
And brand new bling  
This place (Where?)  
Friendships are created  
And we are celebrated  
For everything

Hey Bo Diddly Bop Bop  
I've gotta get back to my block  
It's an FBC so dance with me  
'Cause now it's time to rock

**Chorus:**  
**Gonna celebrate**  
**Every day and night**  
**When we're all together**  
**It'll be alright**  
**Take these moments**  
**Everywhere you go**  
**Let's fill our cup**  
**And let it overflow**  
**Fill it up now**  
**Whoa oh oh, Fill it up now!**  
**Whoa oh oh, Gotta fill it up!**  
**Whoa oh oh, Fill it up now!**  
**Whoa oh oh, Gotta fill it up!**

**Fill it up, don't spill it up**  
**Gonna live up and let it overflow**  
**Oh oh oh, Fill it up now!**  
**Whoa oh oh, Gotta fill it up!**

Camp (Ooch)  
New skills that we learn here  
Confidence we earn here  
Will build us up  
This Joy  
The world cannot take it  
'Cause we're the ones who make it  
And put it in our cup

When I'm faced with challenges  
I won't be on my own  
With my friends at Ooch  
I'm always in my comfort zone

### Chorus

Wake up in the morning  
Like a polar bear  
Grab a costume  
With the crazy hair  
Got my pj's on and it's dinnertime  
Forgot my braid  
So I'm busting a rhyme  
Hanging with Mooch  
The great big moose  
Spilt his juice  
Now he's on the loose  
At Ooch we're always living it up  
So come on everybody  
Let's fill our cup!

### Chorus (2X)

## Find The Joy

Two roads diverge, where do they go?  
When there is no way to know  
Look within yourself, deep down you know the way  
Smell the flowers, feel the sand  
Take the time to lend a hand  
Let your heart, guide you through the rain

And I know  
That it's sometimes hard to see  
Just let go  
And set your mind free

### Chorus:

**Find the joy in every journey  
Welcome each new day  
Give yourself a new direction  
And help others find their way  
As we travel through the seasons  
Open up and you will see  
Magic's all around you  
You'll find joy  
It lives in you and me**

Take a chance and blaze a trail  
Don't think twice you cannot fail  
When it's dark, let your love light the way  
Travel east or travel west  
Take the path that suits you best  
You're the captain hoist the anchor sail away

And I know  
That it's sometimes hard to hear  
Find your strength  
There's nothing there to fear

### Chorus (2X)

## Find Your Beat

Get up, it's time to start the show  
At the place where magic grows  
And people share their shine  
Get ready  
Still something to explore  
Raise the roof and find some more  
Find a rhythm for the rhyme  
Come on and find it

Hear it  
As you're walking down the path  
As you're making new friends laugh  
When you hear bananas shout  
(*You're squashed more*)  
Feel it, thumpin' deep inside  
Sometimes it likes to hide  
Together we'll bring it out  
We're gonna find it

It lives in you, it lives in me  
So much here for us to see  
From the hills, the lake and sky  
You can feel it energize  
Come along  
Let's make some friends  
In this place fun never ends  
Tell your fear to take a seat  
Let's Find Your Beat

### Chorus:

**Find your beat ya find your beat  
Let's find your beat  
Find your beat ya find your beat**

We'll find it  
Come on let's look together  
No matter what the weather  
Sing a song, put on a show  
And listen to the beat grow  
Louder, so no one can ignore it  
Oh how we adore it  
When the rhythm fills our cup  
Come on and fill it up

Now we're here  
Let's have some fun  
Share the rhythm with everyone  
Stomp and clap, ya  
Dance and sing  
When we hear the dinner bell ring  
Make a circle, lend a hand  
Raise your voice and join the band  
'Cause our song is not complete  
Unless we Find Your Beat

### Chorus

Do do(15X) Do do do, Ba ba ba ya  
Ba ba(15X) Bab ba ba, O O O ya O  
O(15X) O C H  
Come on let's find it  
Come on(15X) let's find your beat  
Find Your Beat

### Chorus x 2

# Magic Grows Here

From a seed, grows a tree  
Fills the air that we all breathe  
In this world, the magic grows

The seasons change, from spring to fall  
Falling leaves, a robin's call  
All around the magic grows

**Chorus:**

**This is a place I know  
A place where I can let my magic grow  
A place where I can be just who I am**

Friendships old and friendships new  
These are the people that will be there for you  
With our friends, the magic grows

Out on the waves, or high in the sky  
There are no limits as long as you try  
Deep within, the magic grows

### Chorus (2X)

This journey is not easy  
But from the challenges we grow  
A smile can wash away the rain when someone else is low

And the magic grows here and the magic grows here  
And the magic grows here and the magic grows here  
And the magic grows here and the magic grows here  
And the magic grows here and the magic grows here....

# Share Your Shine

Inside each and every one  
Is a gift that makes them strong  
Let that light come shining through  
It can help to strengthen you

Search your family and search your friends  
All of them lend you a hand  
When it comes back to you  
In your heart you'll find the truth

**Chorus:**  
**Share your shine**  
**Share your shine with me**  
**Share your shine**  
**Share your shine with me**

Ooch is a place that gives you time  
Find your light, let others shine  
Others will do the same for you  
Let their light shine on you

Shine your light, let others see  
Just how great we can be  
Work together you and me  
In this Ooch family

## Chorus

Give of yourself every day  
Let your gift light the way  
See the good around you  
Live brightly in all you do

## Chorus

# **This Is My Place - Ed Robertson + Jim Creeggan**

There's a lake, and there's a boat  
In that water, I can float  
There's a forest with a trail  
I can learn to navigate, and learn to sail

There's a kid who's just like me  
When we sing around the campfire we feel free  
You won't believe what I just did  
I climbed right up to the forest top like any other kid

*Pre Chorus:*

*Sing OH - WAY - OH (Oh - Way - Oh)*  
*OH - WAY - OH (Oh - Way - Oh)*  
*OH - WAY - OH (Oh - Way - Oh)*  
*OH - WHOA - OH (Oh - Oh - Oh)*

**Chorus:**

**Hear my voice, sing my song**  
**Come with me, we won't be long**  
**Call my name, see my face**  
**These are my friends, and this is my place**

There's a beach, and there's a dock  
It's summertime so we get sun till 9 o'clock  
There are turtles, and there are frogs  
There are snakes and salamanders under logs

I don't mind if it rains  
I brought a deck of cards and we'll play games  
There's a hike that won't take long  
Where there's a waterfall so loud that you can barely hear this song

*Pre Chorus*

**Chorus**

Stars shine, and fireflies light up the sky  
Sparks rise, and drift away from you and I  
My, My... this could be a perfect night  
If the marshmallows are roasted just right

*Pre Chorus (2X)*

**Chorus (2X)**

## **This Place - Tomi Swick + Camp Ooch**

Skiing in the water  
Swinging in the trees  
Being with my friends  
Is all I need

Dancing in the sunlight  
Singing by the fire  
Filling up my cup  
Is my desire

All I need is  
Oochi - geas

Early in the morning  
Jumping in the lake  
We're all dancing  
To Ice Cream and Cake

Jamming to the music  
Staying up late  
Starring at the stars  
Life here is great

All I need is  
Oochi - geas

**Chorus:**  
**I'll never, loose my way**  
**Back to, this place**  
**No matter, where I roam**  
**I'll always, call Ooch home**

WACs in the winter  
WACs in the fall  
Breakfast, lunch and dinner  
In the dinning hall

Climbing in the high ropes  
Dressing up a dream  
Everything we do here  
Working as a team

All I need is  
Oochi - geas

**Chorus (3X)**

## Siesta Time

Canoeing, kayaking and archery  
Drama, arts and crafts and waterski  
Adventure, team challenge  
Swimming, fishing and sports

When we go to pottery  
We could make a pot  
Jump into the water  
When the weather gets hot  
And run back to our cabin  
To change into our shorts

But ohhhhh  
I need a little rest  
Ohhhhhh  
An hour at best  
If I could rest  
My tired head  
I'd feel just fine  
How long  
Till siesta time?

Siesta time, siesta time  
Like a fiesta in my mind  
Shhhhhh  
Siesta time

Siesta time, siesta time  
Like a fiesta in my mind  
Shhhhhh

Siesta time
